ORDER ADOPTING REPORT AND RECOMMENDATION

This civil rights action brought by a prisoner, proceeding pro se, was referred to United States Magistrate Judge Bana Roberts, consistent with the provisions of 28 U.S.C. § 636(b)(1)(B). Judge Roberts entered a Report and Recommendation on January 30, 2009, to which Petitioner has timely objected. The Court therefore considers the matter de novo.

The facts and law are accurately set out in full in the accurate and well-reasoned Report and Recommendation of the Magistrate Judge and there is no purpose to be served in repeating them yet again. In his objection, Petitioner merely restates the conclusions and legal argument originally asserted, and raises no issue not fully and accurately addressed and rejected by the Magistrate Judge.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge, and for the reasons announced therein, this action is dismissed. As no amendment can cure the defect, this dismissal acts as an adjudication on the merits, and a judgment will enter.

IT IS SO ORDERED this 4th day of March, 2009.

ROBIN J. CAUTHRON
United States District Judge
